## A Most Valuable Agent.

The glycerine employed in Dr. Pierce's medicines greatly enhances the medicinal properties which it extracts from native medicinal roots and holds in solution much better than alcohol would. It also possesses medicinal properties of its own, being a valuable demulcent, nutritive, antiseptic and antiferment. It adds greatly to the efficacy of the Black Cherry-bark, Bloodroot, Golden Seal root, Stone root and Queen's root, contained in "Golden Medical Discovery" in subduing chronic, or lingering coughs, bronchitis, throat and lung affections, for all of which these agents are recommended by standard medical authorities.

In all cases where there is a wasting away of flesh, loss of appetite, with weak stomach, as in the early stages of consumption, there can be no doubt that glycerine acts as a valuable nutritive and adds to the Golden Seal root, Stone root, Queen's root and Black Cherry-bark in promoting digestion and building up the flesh and strength, controlling the cough and bringing about a healthy condition of the whole system. Of course, it must not be expected to work miracles. It will not cure consumption except in its earlier stages. It will cure very severe, acute, hanker chronic coughs, bronchitis and throat troubles, and chronic sore throat with loss of voice. In acute coughs it is not so effective. It is in the lingering hang-over coughs, or those of long standing, even when accompanied by bleeding from lungs, that it has performed its most marvelous cures.

Prof. Finley Ellingwood, M. D., of Bennett Med. College, Chicago, says of glycerine:

"In dyspepsia it serves an excellent purpose. Holding a fixed quantity of the peroxide of hydrogen in solution, it is one of the best manufactured products of the present time in its action upon epicedic, disordered stomachs, especially if there is ulceration or catarrhal gastritis (intestinal inflammation of stomach). It is a most efficient preparation. Glycerine will relieve many cases of proctitis (hemorrhoids) and excessive gastric (stomach) acidity."

"Golden Medical Discovery" enriches and purifies the blood curing blotches, pimples, eruptions, scrofulous swellings and old sores, or ulcers.

Sent to Dr. R. P. Pierce, of Buffalo, N. Y., for free booklet telling all about the native medicinal roots composing this wonderful medicine. There is no alcohol in it.

## WASHING WITHOUT WATER

Is Like Trying to Get Rid of Dandruff Without Herpicide.

Did you ever see any one trying to wash themselves without soap or water?

If you did what would you say of him?

It is every bit as foolish to try to get rid of dandruff and to prevent baldness by feeding the germs which cause it, with Cantharides, Vaseline, Glycerine and similar substances which form the principal ingredients of most so-called hair growers.

Newbro's Herpicide is successful because it attacks and kills the parasitic germ which feeds on the hair roots.

It is the original and only genuine scalp germicide manufactured.

Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

Two sizes—50 cents and \$1.00. E. S. Leadbeater & Sons, Special Agents.

### TO ANTAGONIZE ROOSEVELT.

In a sensational address to the country adopted by the National Afro-American Council in session in Baltimore last night this declaration was made:

"Injustice toward us as a race is everywhere increasing; race prejudice is growing in the republic, North and South alike.

"We approve the stand of President Roosevelt in behalf of fair play and a square deal for all American citizens as exemplified in the appointment of Dr. Crum and the Indianola postoffice affair. We deplore his discharge of 167 soldiers of the Twenty-fifth United States Infantry, without any competent legal evidence of guilt, as subversive of fundamental right. We trust that he will yet see the injustice done these patriotic soldiers.

"At the peril of his political life, Senator Foraker has championed the cause of the black battalion against the enormous and unexampled injustice and abuse of executive authority. Let them repay him a part of this debt by standing as bravely by him in his fight for his political life as he stood by the black battalion on the floor of the Senate, in the Senate committee on military affairs, and on the platform and in the press.

"We also record our sense of deep gratitude to the Constitutional League of the United States for its brave and effective defense of the black battalion.

"In politics we must learn to love our friends and serve them, at whatever cost of personal or party sacrifice and loss, and at the same time to punish our enemies and seek their destruction at the polls.

"With a free ballot in our hands in the North, if we have the manly independence and the will to wield it, as a weapon of defense and offense, we can punish our enemies and reward our friends, and advance at the same time, unselfishly, the interests and the rights of the race North and South alike.

"We can make this vote a terror, even to so powerful and autocratic a ruler as the present occupant of the White House and to Secretary Taft, and to politicians like Senator Lodge, of Massachusetts, and Senator Warner, of Missouri, who have vied with each other to do the bidding of President Roosevelt in relation to the black battalion.

"Let colored men unite, organize, concentrate everywhere in the North to defeat at the polls the enemies of the race, and in the South to defeat those same enemies."

## NEWBRO'S HERPICIDE

### What Herpicide Does

Newbro's Herpicide destroys the tiny vegetable growth in the scalp that causes dandruff, itching scalp, falling hair and baldness. Once this microbe enemy of the hair is destroyed and kept out of the scalp, the hair is bound to grow as nature intended, except in cases of chronic baldness.

### What Sunlight Does

Sunlight is nature's germ destroyer and prophylactic. The effect of sunlight upon the scalp proves highly beneficial. If a complete scalp cleanliness is carried out. This can be done without the use of Herpicide, which prevents reinfection and keeps the scalp pure and wholesome.

More men and women have gotten positive results from the use of Newbro's Herpicide than from all other hair remedies combined.

### Hot Weather Troubles

The perspiration that exudes in increased quantities during the summer months carries out poisons and refuse matter that would otherwise clog up the pores of the scalp. Incomplete elimination of this waste produces a hot and feverish condition of the sweat glands known as Prickly Heat, for which Herpicide gives immediate relief. Herpicide stops itching of the scalp almost instantly.

Col. Thompson, Member of the Board of Managers of the Ohio Penitentiary, writes as follows of Newbro's Herpicide:

"As to Herpicide I find it an excellent hair dressing as well as being the first and only absolute dandruff cure I have found. Upon my advice a number of my friends are using Herpicide, and the unanimous verdict is that Herpicide, in all respects, everything that its manufacturers claim for it."

### Southern Makes Denial.

Charles H. Ackert, general manager of the Southern Railway, yesterday issued an official denial of the story widely circulated in the South to the effect that there is a general shake-up coming in the personnel of the management of the system. It has been intimated that the reorganization would be made along lines laid down by President Finley, and that the resignations of General Manager Ackert, Passenger Traffic Manager Hardwick, and General Passenger Agent Taylor were among those that would be forthcoming. Manager Ackert gave the assurance that there would be no such action, in a telegram from Asheville to a southern newspaper.
